## **Autumn Term Gardening Club** **Monday Lunchtimes, 12.20 – 1pm**

7<sup>th</sup> September 2022

Dear Parent,

We are lucky enough to have lovely volunteers who run a Gardening Club for the school on a Monday lunchtime, 12.20-1pm.

Children learn how to look after the raised beds, they will plant seeds [peas, beetroot, carrots, green beans, onions and potatoes] and then tend the beds by keeping them weed free and watering the seedling, helping them to grow into produce. There are also soft fruit bushes to care for and apple trees. When the produce reaches maturity the children will be invited to take it home.

We would welcome any donations of seeds and any gardening equipment that people aren't using, or are disposing of, that would be suitable for children to use.

If you would like your child to attend this activity, please complete the attached form. We are asking for a voluntary donation of £2 to help cover the cost of seeds and equipment and recommend that children bring wellies to wear for the club.

There are 15 places available in the club, if the numbers exceed this then we will contact parents about the dates for your child to attend.

Any queries please either contact the school or Vina on [Vinakris@aol.com](mailto:Vinakris@aol.com)

Please complete Google Form by Friday 9<sup>th</sup> September (4pm) if you wish your child to attend <https://forms.gle/B8pTskAyafUMrbvQ6>

Many Thanks
