Music in Schools (York) provides instrumental tuition in the City of York & throughout North Yorkshire.

There are many benefits and advantages in learning a musical instrument, including heightened intelligence, achievement, and friendship. Taking up an instrument is a challenge, but one that is very rewarding.

Our teaching scheme is specifically designed for primary school children (KS2), who learn in small groups at their school.

Lessons are planned using the Standard of Excellence teaching scheme and accompanying cd, which has been specifically written for group learning, promoting 'enjoyment through achievement'.

HOW DO I ENROL MY CHILD?

There are several ways in which you can enrol your child for lessons with us and we have packages which cater for those with and without an instrument.

Some parents will have access to an instrument within their family or may prefer siblings to share and in this case, you only need to enrol for lessons.

Prices are £80.00 per term when you enrol online using our e-Invoice system.

Music in Schools (York) will invoice you on a termly basis for 10 lessons. Please note that you will be required to pay for your first term's lessons upon enrolment.

You will also need to purchase the relevant Tutor book(s) for your instrument, details of which can be found at www.misyork.org.uk.
